## **IRTS Annual Dinner Dance**

Last weekend's IRTS Annual Dinner Dance and AGM was hosted by the Mayo Radio Experimenters Network and was held in the Belmont Hotel, Knock, County Mayo. The venue was ideal and the organisation was outstanding, making it the best such weekend for many years.

A crowd of around eighty gathered for the dinner dance, with most parts of the country represented amongst the diners. Following a most enjoyable meal, the MC for the evening, John McDonnell EI6IR introduced the first speaker, Mr. Dave Thom for the Office of the Director of Telecommunication Regulation. In a wide ranging address, he dealt with many of the issues of concern to the Society and took a wide range of questions from the floor. These issues will be outlined as separate news items. Dave Moore EI4BZ, Society President thanked Mr. Thom for his contribution and paid tribute to the Mayo Group for undertaking such a big event at this stage in their development.

Frances Taheny EI5J, Chairperson of the Mayo Group welcomed all the visitors to County Mayo and thanks the Society for choosing Mayo as the venue for the 2002 AGM weekend. Excellent music was provided for dancing until late and the last to leave did not have much time for sleep before breakfast.

### **News from Mayo**

Congratulations to Joe Fadden EI3IX who worked VK8MS on Six Metres last week. Joe was operating mobile at the time, using a short whip antenna and low power. Joe who is a keen VHF DXer, told the IRTS Newsdesk "It was a good QSO, especially from the car! I had been working 15 meters mobile and was just after working PW0T when I heard him say he was going to try 6 meters as conditions were good. It was at that point that I changed whips. Nothing was heard from PW0T, but 4X & OD5 were very strong, next thing up pops VK8MS!. First call and I got him!" Joe added: "I have not bothered listening on 6 over the past 2 weeks because I assumed the F2 was dead, but it just goes to show you".

Joe, from Castlebar in Co. Mayo is very active as the IRTS VHF Manager.

The Mayo Radio Experimenters wish to thank all of the people that attended their first ever Rally, which was held in Knock last Sunday. The club thanks the traders, exhibitors, and the Hotel for making the event so successful. The Club also thanks the IRTS for attending with its AGM and Dinner Dance.
